

## Body Mist - \$14.95

Everyone needs a quick refresher and this mist actually gives you moisturizing benefits with Aloe Vera, Almond and Sunflower oils versus the alcohol-based brands that actually dries out your skin. The Moisturizing Body Mist is great to take with you on the go or as a second layer for a longer lasting scent. Your skin will love it and it makes you feel immediately refreshed.

Avoid contact with eyes.

Yummy Skin's Moisturizing Body Mist comes in these exciting scents:

- \* Strawberries n Cream - Fresh strawberries with sweet vanilla cream
